

Please check the main website for temporary training allocations for each age group.

Our new fields are due for completion at the end of March (weather permitting).

When the fields are open, all teams will return to Souths for training. Training days and times will then revert to a regular schedule.

Currently, we are using 5 different venues to accommodate our 50 teams. Most of these are training on the same nights and at the same time as they will be when things return to Souths. Unfortunately, due to venue availabilities, some teams are training on different nights as our offsite venues are only available on Monday, Wednesday and Friday nights.

Unfortunately, the Management Committee is stretched trying to cover all training locations together with their own coaching commitments and also ensuring that their children get to their training sessions too. Whilst we endeavour to communicate frequently, with fulltime work commitments and several hours most nights at the club, it is an impossibility to email and text all 700 players. We therefore rely heavily on our website to communicate training allocations, game times and also contact details for the management committee.

Souths is a volunteer run, community organisation. We, like all other sporting clubs, rely heavily on parents to provide coaching and manager duties for their child's team. This is vitally important for the Under 6 - Under 11 age groups. The need also occurs in lower divisions within the Under 12 - Under 16 age groups and some senior teams as well. The Club financially supports coaches to obtain appropriate qualifications. The Club has already conducted a FREE Grassroots Course aimed specifically for the Under 6 - 9 age groups. Regular courses are run by Football Queensland and various clubs throughout Brisbane.

In past years, the MiniRoos age groups have not commenced fixtures until after Easter with seniors and junior divisional players starting a week or two prior to Easter. Football Brisbane have brought forward by several weeks the entire calendar with all teams commencing fixtures earlier. This coupled with our fields being unavailable has caused significant stress for all concerned: management committee, players, parents and team officials.

We appreciate your patience and understanding during the next month. The wait and inconvenience will be worth it!
