

Registering Profile via a Web URL.

1. A manager, coach or club administrator may have sent you a direct link to the registration form for the competition you would like to partake in. First, open the link which will populate the options shown below.

Select or Add a participant

The screenshot shows three registration options in a grid layout:

- Top Left:** A circular profile icon with the initials 'as' in white on a dark purple background. To its right, the text reads 'aidan smith' in bold, followed by 'Male, 11/02/2001' in a smaller font.
- Top Right:** A box with a plus sign icon and the text '+ New Team Registration' in bold. Below it, in smaller text, it says 'For All Team & Club Admins registering teams'.
- Bottom Left:** A box with a plus sign icon and the text '+ New Participant Registration' in bold. Below it, in smaller text, it says 'For All Individual Participants, Referees & Coaches'.

2. If you already have an account in Squadi, select your user profile in the top left. If not, select "+ New Participant Registration". There, you will be prompted three check boxes under the question "Who are you registering?". Select the box that matches with who you are trying to register.

Who are you registering?*

- Registering myself Registering a family member Registering on behalf of someone(non family member)

Parents please note: If you are intending to register your child, please ensure that you have checked the "registering a family member" box. This will allow you to link you and your child's accounts and access your child's details, registration etc.

3. Enter your personal details, including name, contact details, address, and an emergency contact.

If you are registering on behalf of someone or registering a family member, and their birthdate is within the age restraints of a child, the registration form will 'pop-up' a new criteria on the same page for 'Parent Details'. If this is not applicable to your registration, continue to step 5.
