

BRISBANE ROAR – 2014 A-LEAGUE CHAMPIONS

Congratulations to Brisbane Roar on winning the 2013/14 Hyundai A-League Championship. Having been named Champions for the third time in four seasons, this victory confirms a dynasty for the club, without a doubt the best team in the land. Having won four of their first five matches in 2013/14, success became the norm as they didn't move from top of the ladder from Round 7 onwards. Further, their lead of 10 over nearest rivals Western Sydney on the final points table illustrated the sheer dominance of their season, in what one suspects may be their finest yet.

The Jersey display is personally signed by the Brisbane Roar Final Team. The jersey is strictly limited to 50 only worldwide. The limited edition is officially endorsed by the FFA. The piece is also accompanied by a Certificate of Authenticity.
