All participants are required to complete the FFA Online Laws of the Game and obtain a certificate on completion. This is required to be presented to the instructor on the day of your course.

Should any of your members have attended one of the Level 4 FFA Entrance courses in the last 2 years (2014 /15) OR attended one of the Club Referee courses in the last 2 years (2014/15) and wish to become a Football Brisbane registered referee in 2016, then they will only need to attend the practical field day.

The Practical Field day is compulsory for all registering Football Brisbane new referees and the dates are listed on the above link. This day takes everyone through a complete day on the park from the minute you arrive at a venue to when you leave, including administration, team sheets, send off reports, how to check a field and nets and much much more. A valuable day to any new Referee.

At this time we do not have any Club Referee courses booked, However, should your club be interested in hosting a course (minimum of 10 participants required) then please email: [support@footballbrisbane.com.au](mailto:support@footballbrisbane.com.au) with (2) preferred date options with your club details and we will send confirmation information back to you.
