The following is an excerpt from Law 4 – The Players’ Equipment from the FIFA Laws of the Game 2013 Edition:

Safety

A player must not use equipment or wear anything that is dangerous to himself or another player (including any kind of jewellery).

Basic Equipment

The basic equipment of a player comprises the following separate items:

- A jersey or shirt with short sleeves – if undergarments are worn, the colour of the sleeve must be the same main colour as the sleeve of the jersey or shirt *[will need to be white]*
- Shorts – if undershorts or tights are worn, they must be the same main colour as the shorts *[will need to be black]*
- Stockings (socks) – if tape or similar material is applied externally it must be the same colour as that part of the stocking (sock) it is applied to *[will need to be black]*

- Shinguards
- Footwear.

Interpretations of Law 4 –

Jewellery

All items of jewellery (necklaces, rings, bracelets, earrings, leather bands, rubber bands etc) are strictly forbidden and must be removed. Using tape to cover jewellery is not acceptable.

Players must wear long black pants, black socks and black shoes to and from all fixtures and as advised, to official Club events. See the standard for pants, socks and shoes below. The Club polo shirt is to be worn tucked into the long black pants.

In extreme weather conditions, the Player may wear black dress shorts and black shoes. See the standards for dress shorts for players below. Extreme weather is if the temperature is 30° or above. The dress shorts are only available through the Souths Shop.

To support the Club's position on uniformity, all players in the team must wear shorts or all players in the team must wear long black pants. The Manager is to co-ordinate this.
